

OASIS
CONCORD BRENTWOOD

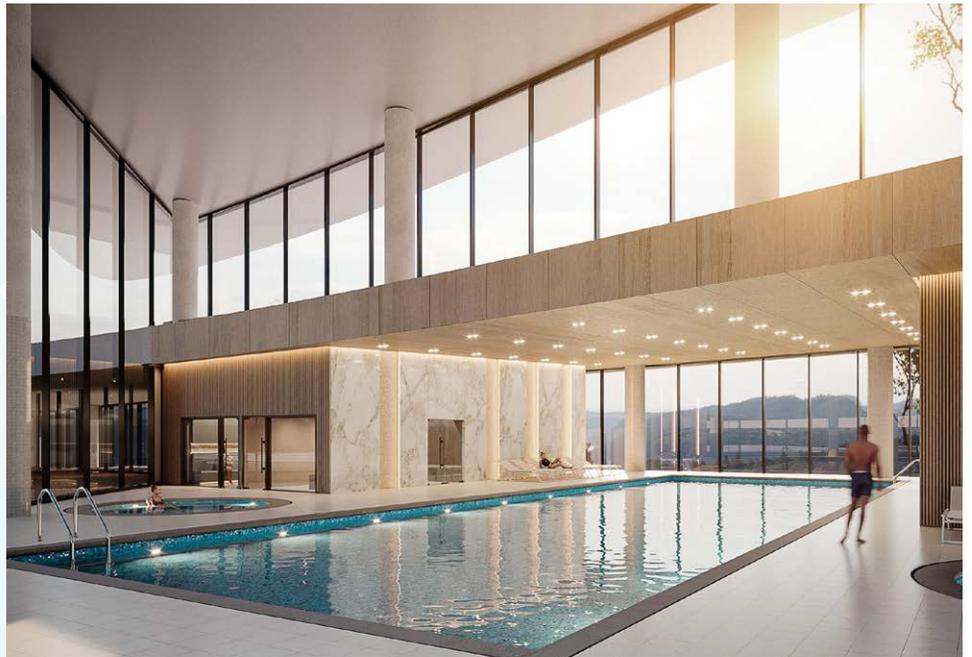

Your Home.
Your Paradise.

Resort-like Relaxation & Recreation Everyday

Inspired by a secluded tropical cenote, Club Oasis's sun-bathing beach transports you to a faraway paradise — without leaving home. Staffed by attentive Amenity Managers, Club Oasis includes 30,000 sq. ft. of exclusive activity zones and shared amenity spaces with the Concord Brentwood community. You can practice yoga indoor or outdoor; have an intense game of squash or head to the entertainment lounge for Friday night fun. The choices are unlimited. Your pets even get spoiled at their own spa.

World Class Amenity at Your Doorstep

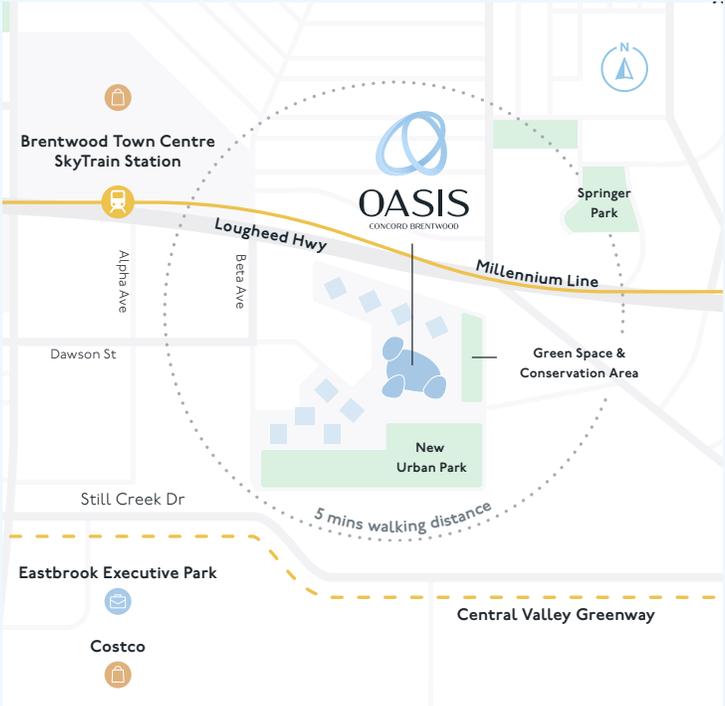

Lace up your runners and get your heart pumping at the double ring track, then hit the outdoor exercise station or indoor fitness centre. Watch your little ones explore and make friends at the children's playground. You will find something that suits your mood perfectly at Club Oasis's three levels of amenities: an 80' indoor swimming pool with a children's pool and a hot tub; a steam and sauna room; a multipurpose gym; a two-lane bowling alley; and a spin studio.

Best of Both Worlds: Where City & Park Connect

At the heart of Burnaby — Metro Vancouver’s most central and fastgrowing location — you will find Brentwood. Oasis at Concord Brentwood, Phase 2 of the master-planned community, is nestled into this dynamic locale. SFU, BCIT, nine business parks and downtown Vancouver are all within a 15-minute drive away. It’s an area that benefits from the nearby convenience of a mass transit hub and a newly transformed and exciting shopping centre, while simultaneously enjoying the tranquility of park-front privilege.

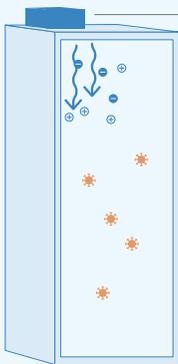

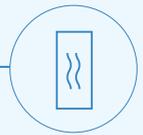

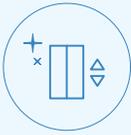

A Time for Everything A Space for All Seasons

When your home elegantly extends to a spacious solarium, the possibilities are endless. Turn the additional heated space into a chic home office. Add plush seating to lounge with loved ones in a charming den. Create a designated playroom. Whatever your needs, this indoor-outdoor area inspires all-year enjoyment. Make the continuity distinctly yours.

- 1 Tiled Flooring
- 2 Ceiling Radiant Heater
- 3 Ceiling Light
- 4 Retractable Glass Screen System

ELEVATOR CABIN FILTER

Featuring **bipolar ionization** technology to reduce airborne bacteria and viruses in the elevator.

The ions attach to bacteria, viruses & microbes causing a chemical reaction that degrade and neutralize harmful pathogens.

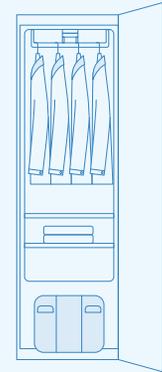

CALL ELEVATOR

OPEN DOORS

TOUCHLESS TECH

Through touchless technology, unnecessary touch points will be reduced in all common areas including accessing entry doors and calling elevator cabs.

STEAM CLOSET (OPTIONAL UPGRADE)

To enjoy an extra layer of protection and convenience, homeowners have the option to upgrade their suites with a steam closet as a dedicated cabinet. Sanitize and refresh your daywear without the need to start your washer and dryer every time.

HIGH HEAT

MOISTURE

BIOSPACE

Concord Biospace & Integrated Smart Living

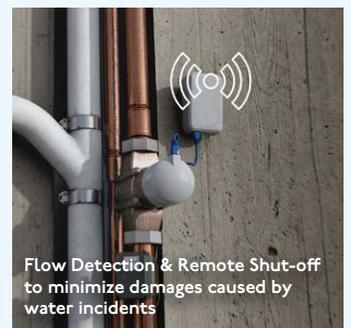

You deserve to stay safe and live smart. Oasis at Concord Brentwood features the developer's signature design, Concord Biospace. This innovative system increases ventilation and minimizes touchpoints in high-traffic areas such as elevators and doors throughout the building. Integrated SMART Living makes life more enjoyable and sustainable with forward-looking technology.

Premium Bike Storage (OPTIONAL) to enhance your space planning

Wi-Fi in Select Common Areas

Flow Detection & Remote Shut-off to minimize damages caused by water incidents

Residential Parking (OPTIONAL) is 100% equipped with 208V EV Plug for an eco-friendly lifestyle.

The Ultimate in Barefoot Luxury

Do you prefer the sophistication of dark finishes or light decor's exuberance? The award-winning LIV Design Studio provides you with the choice between two interior colour schemes: the light and airy coordination of Crema and the stunning rich tone of Grigio. Expansive quartz engineered stone slab countertops, large format porcelain tile, timeless elegance, and pragmatic storage solutions that all work together to enhance every corner of your living space.

Discover a Rejuvenating Community in the Heart of Bustling Brentwood.
